

Prayer Concerns - July 21, 2010

...when we pray, we are never alone...

World Needs

Lord we pray for,

Justice for those living in poverty, suffering the effects of hunger, malnutrition, disease, and despair.

Compassion and courage by world leaders of the richest countries to provide promised aid and to cancel debts.

Hearts to break and lives to change; that we become ambassadors of justice, mercy, and hope for those living in poverty.

Comfort as families choose between food, healthcare, and education.

Requests for Prayer Support

All those seeking employment.

All those among the working poor.

All military personnel, their families and friends.
